54. WA FOOTBALL TRIBUNAL PROTOCOL AND GUIDELINES

Standard Tribunal Guidelines and Penalties for Community Football

(Incorporating the Community Football Council, WA Country Football League and District Development Council Junior Competitions)

GUIDELINES FOR CONDUCTING A TRIBUNAL

1. BACKGROUND

As described in the Laws of Australian Football, the Purpose of the Laws explain how the game is played and seeks to attain the objectives of ensuring the game is played in a fair manner and spirit of true sportsmanship; and to prevent injuries to players where it can be reasonably achieved, considering the body contact nature of the sport.

Generally, most parents and especially mothers like to see their children involved in a sport that has rules promoting sportsmanship, fair play and one where they can participate in a safe environment. The AFL's rewrite of the laws in the year 2000 addressed this ideal.

The new definitions of Charging and Engaging in Rough Play has reduced the unnecessary rough contact and together with the Law related to prohibiting contact in marking contests, the issue of protecting the player making the ball his object has been addressed.

Australian Football is built around courage to get the ball and the Laws are framed to encourage this value. It is essential that the Football Industry is seen to deal with offenders in a consistent manner across the State.

In 1998, the Standard Order Off Rule (Red and Yellow Card System) was introduced to assist Umpires and the Football Industry to achieve consistency in controlling unacceptable behaviour on the field. This strategy has been very successful and continues to complement the game.

It is logical that the same principle of dealing with consistency, be implemented throughout the Tribunal system

The following information has been produced to promote consistency in procedures and penalties set by the Football Industry of Western Australia.

9 PRESCRIBED PENALTIES:

Prescribed Penalties are adopted by the Controlling Body to eliminate excessive distances travelled by participants attending tribunal hearings and/or to lessen the time and inconvenience placed on club volunteers.

Prescribed Penalty: means a set sanction or penalty for a reportable offence that is offered to an offender by the Controlling Body or its Delegated Authority in lieu of attending a Tribunal Hearing.

Unless a Yellow Card is issued by the Umpire for the First Offence, the **Prescribed Penalty** is derived from the minimum penalty of a specific reportable offence listed on the *Standard Range of Penalties*.

If an Offender elects to attend the Tribunal in lieu of accepting the Controlling Body's offer of a Prescribed Penalty and is subsequently found guilty of that offence, then the resultant penalty shall be greater than the Prescribed Penalty. It shall not be less than the Prescribed Penalty for that offence, unless mitigating circumstances are established at the hearing.

If mitigating circumstances are established, The Tribunal Chairman shall state and record the circumstances on the *Standard Disciplinary Record of Tribunal Proceedings* form.

9.1 STANDARD RANGE OF PENALTIES FOR REPORTABLE OFFENCES:

The WAFC General Manager Community Football will adjudicate on any anomalies, inconsistencies or interpretive issues that arise in relation to the range of penalties. Any request for rulings will be initiated by the District Competition Director in writing to the WAFC General Manager Community Football.

The *Standard Range of Penalties* shall apply to any Player or Official found guilty of a Specific Reportable Offence listed in Law 19.2.2 of the Laws of Australian Football or as described in the Rules and Regulations of the Controlling Body.

Where an Offender commits two (2) or more offences within the current 2 year period, then the "Second Offence" Range of Penalties shall be used to determine the penalty.

The "Second Offence" Range of Penalties have been set at double the "First Offence" Range of Penalties to clearly signify that repeat offenders will not be tolerated.

In determining an Offender's penalty, the Tribunal shall use the *Standard Range of Penalties* and may increase the penalty after taking into consideration any injury sustained by a victim and/or any previous convictions of the offender prior to the last 2 years of the Tribunal sitting. **The use of Suspended Sentences may be used as an additional penalty to the *Standard Range of Penalties* and not in Lieu of an appropriate penalty.**

The Tribunal shall **not reduce** the minimum *Standard Range Penalties*, unless mitigating circumstances are established at the hearing. If mitigating circumstances are established, the Tribunal Chairman shall state and record the circumstances on the *Standard Disciplinary Record of Tribunal Proceedings* form.
