Kingsley Junior Football Club (inc)

- Year 7/8 Youth Girls
- Year 9/10 Youth Girls

Under 18's Competition - Northern Knight Cats

The 18's competition combines year 11 and year 12 players. Kingsley JFC and Warwick/Greenwood JFC have an agreement to merge the two clubs in Year 11 and Year 12. The decision has been made to ensure the future of this competition and ensure all our players have a pathway to year 12. The Merge is also aligned with Kingsley Amateurs Football Club. The 18's will be training and playing with the Colts team when and where appropriate.

Registrations Instructions 2024

The AFL is using PlayHQ for all age group registrations.

KidSport Payments

When registering your children for all age groups select "Yes" to having a KidSport voucher and enter it into the website. You will note that the prices at the bottom will be reduced to reflect the \$150 discount. Please also forward this voucher code to treasurer@kingsleyjfc.com.au so we can match them.

For most parents there will be a small remaining amount to be paid. If you cannot do that via the online payment system, then please make plans to attend the registration day.

Those planning on using KidSport need to apply NOW, not 2-3 days before registration day but right now as these vouchers can take 2-3 weeks to arrive.

KidSport causes a massive amount of workload for the club volunteers and we'd really appreciate it if people could do this now and have codes ready for registration day.

KidSport Process

- Apply for KidSport via the DSR website
- Receive Voucher code and forward to treasurer@kingsleyjfc.com.au
- Register online; enter code and pay difference via online payment system; alternatively attend registration day
- **Any difficulties then please plan to attend registration day with Kidsport code and PlayHQ login details.**

We will not accept KidSport registrations without a valid voucher code. To ensure you receive one in a timely fashion and your child is ready for the 2022 season please immediately apply online at the link below:

<https://www.dsr.wa.gov.au/funding/individuals/kidsport>

Family Discounts for Multiple Children and Auskick Registration Issue

If you do not have children playing Auskick this season, then there is no reason to read on. Family discounts will apply as per previous seasons.

If you do have children playing Auskick, family discounts apply however due to restrictions in the PLayerHQ payment system, we cannot apply discounts at the time of registration. We can only supply a single product for registrations for Auskick and at a single price. Therefore, register as normal any Year 3 and older children, selecting the relevant product for your children. Then register Auskick children at the full fee and the club will refund via EFT the difference.

Kingsley Junior Football Club (inc)

Parents must contact treasurer@kingsleyjfc.com.au and notify the club in this circumstance. Please include all player names your family has registered, dates of birth and your preferred bank account for refunds.

This is unavoidable, because of the AFL implemented registration system and creates significant work for the club. However, the two databases' systems and the restrictions on products mean we cannot easily identify families who are due a refund.

Merchandise

Please note this season we have added merchandise to our online registration system. Merchandise will be available for pickup pre-season and information on this will be shared soon.

You can also visit our online Merchandise store directly using this link:

<https://kingsleyjfc.square.site/>

Kingsley JFC currently does not have any relationship with local sporting stores; our preference is you purchase your gear through the club where possible.
